

**On-Site Wine Purchase Shipping Request Form**

In accordance with permissions granted under U.S. Public Law No: 107-273 Section 11022 – Direct Shipment of Wine I am hereby requesting shipment of wine purchased on-site at a Presque Isle Wine Cellars Pennsylvania licensed retail location to my home state. I certify that the following requirements specified in the law have been met:

- (1) the wine was purchased while I was physically present at the winery
- (2) I provided the winery verification that I am of legal age to purchase alcohol
- (3) the wine is for my personal use only and not for resale
- (4) I could have carried the wine lawfully into the State or the District of Columbia to which I am requesting shipment
- (5) I am requesting shipment to an address where an adult will be present to provide adult signature upon delivery

I understand that Presque Isle Wine Cellars is relying on my above representations in making the shipment and that the wine will be shipped in a container marked to require an adult's signature upon delivery and failure to provide an adult signature will result in the wine not being delivered. I agree to accept responsibility for the cost of a failed delivery for lack of adult signature and for any re-shipment. I also acknowledge and agree that I am responsible for paying and remitting to my state and/or local municipality any sales and use taxes that may legally be required as a result of this transaction.
